Romania
10.10.2024 - 20.10.2024**

2024-1-R001-KA151-YOU-000215708

**Co-funded by
the European Union**

Join us on a unique learning journey during which you will learn more about entrepreneurship, the culture of the participating countries and you will have the opportunity to develop your skills with representatives of many NGOs in Europe.

SUMMARY

This project will provide examples of independent activities that will stimulate entrepreneurship. They give young people the opportunity to be aware of their abilities, which will motivate them to pursue a certain path in entrepreneurship or a career. Self-employment will stimulate entrepreneurship and help create new jobs. They give young people the opportunity to use their skills and create their own jobs.

Improving the knowledge of 30 young participants about entrepreneurship and Erasmus+ during all the phases of the project.

Encouraging young participants to become active, independent citizens who can reach their maximum potential by overcoming any barriers.

Involvement of 30 young people in rural handicraft activities and active citizenship.

Promoting virtual social integration to increase the offer of personal development for young participants.
